

CHALLA ASHOK

📍 Guntur, Andhra Pradesh — 📞 6304028416 — ✉ challaashok99@gmail.com

🌐 LinkedIn — 🐙 GitHub

Professional Summary

Electronics and Communication Engineering student with hands-on experience developing web-based applications and technical projects. Familiar with HTML, CSS, JavaScript, REST APIs, Python, Git, and GitHub. Interested in frontend development, problem-solving, and building user-focused web solutions.

Education

Kallam Haranadhareddy Institute of Technology (KHIT)	2023–2027
B.Tech – Electronics and Communication Engineering	CGPA: 7.4/10
NRI College	2021–2023
Intermediate – MPC	858/1000
ZPHS School	2021
Secondary School Certificate (SSC)	385/600

Technical Skills

Frontend: HTML, CSS, JavaScript

Web Technologies: REST APIs, JSON, HTTP Basics

Programming: Python, C

Backend: Node.js, Express.js

Database: PostgreSQL, SQLite

Tools: Git, GitHub, VS Code, Manus, Claude

Projects

KHIT Family Portal – Full-Stack Web Application

- Developed a web-based college portal supporting student, faculty, parent, and administrative workflows.
- Implemented authentication and role-based access for different users.
- Developed REST API functionality using Node.js and Express.js.
- Integrated database operations using PostgreSQL and SQLite.
- Worked on student profiles, attendance, results, fees, documents, and notifications.

Quantum-Inspired Fuel Consumption Prediction & Green Fleet Optimization

- Developed a web-based application for fuel-consumption prediction and fleet optimization.
- Applied Python-based data processing and machine-learning techniques for prediction.
- Integrated the solution into an interactive web application.

Weather Agent

- Developed an interactive web application using Python and Streamlit.
- Integrated a weather API to retrieve dynamic weather information.
- Designed user-friendly weather results based on location.

Experience

Reliance Smart – Retail Associate

4 Months

- Handled customer interactions and assisted with daily store operations.
- Worked with team members to maintain organized inventory and merchandise.
- Developed communication, teamwork, and problem-solving skills.

Bhagawati Limited, Hyderabad – Chip Design

- Gained exposure to chip-design concepts and industry-oriented technical processes.
- Worked in a professional engineering environment and gained exposure to industry practices.

Internships & Workshops

- **ServiceNow Internship** – Exposure to ServiceNow platform concepts, user roles, groups, and access control.
- **NASSCOM Internship** – Exposure to industry-oriented technical and professional practices.
- **L4G Workshop** – Practical exposure to engineering concepts.

Certifications

- NPTEL
- ServiceNow
- CodeTantra
- Wadhwani Foundation
